§ 728.77 Secretarial designees.

Subject to the capabilities of the professional staff and the availability of space and facilities, naval MTFs and DTFs will provide treatment to individuals that have been granted Secretarial designee status by any of the three service Secretaries (Navy, Army, or Air Force), the Secretary of Commerce for NOAA personnel, the Secretary of Health and Human Services for USPHS personnel, or the Secretary of Transportation for Coast Guard personnel.

(a) *Potential designees.* Upon a showing of sufficient cause, the Secretary of the Navy may authorize individuals, not otherwise authorized by law, to receive such care as is available in naval MTFs in the United States. Designation may be extended on a worldwide basis for preadoptive children and wards of active duty members, and for abused dependents delineated in paragraph (a)(6) of this section. Temporary in loco parents or foster parent status of the member with regard to a minor is insufficient for approval. Also, civilian health care under the CHAMPUS program cannot be authorized for other than abused dependents. The Secretary's discretionary authority is exercised most conservatively, however, favorable action is usually taken on requests involving the following situations:

(1) Preadoption proceedings wherein an active duty member or a retired member has taken affirmative legal action to adopt a child.

(2) Custodianships and guardianships authorized by a court order wherein the member is designated by the court as the custodian or guardian and the child is fully dependent upon the active duty or retired member sponsor.

(3) Evaluation and selection of non-beneficiaries who are donor candidates
